# The Amulet Mystery

by [MiaQc](#)

## Summary

A simple short story in two versions. One with the Japanese names, one with the English names.

- A translation of [Mystère de l'amulette](#) by [MiaQc](#)

### **Version 1.**

Alyssa once wondered how a simple amulet from a shrine could hold, trap Bates inside her. Was it due to a divine blessing? Is it a simple "mental block" that Alyssa creates to protect herself from Bates by having the amulet on her? Or is it Bates himself who lets himself be "trapped" by it? Hmm.

### **Version 2.**

Yū once wondered how a simple amulet from a shrine could hold, trap Shō inside her. Was it due to a divine blessing? Is it a simple "mental block" that Yū creates to protect herself from Shō by having the amulet on her? Or is it Shō himself who lets himself be "trapped" by it? Hmm.
